ACKNOWLEDGEMENT

I would like to acknowledge and extend my heartfelt gratitude to my Assistant Professor “MR. FAIZAN MAHMOOD”, and my lab instructor “MR. ASAD ULLAH KHAN”. Under whose guidance I have prepared the Full Stack Web Development Lab (CA 228) Lab Report. They have been a constant source of encouragement and inspiration to me. They have made sincere efforts to make more meaningful complete compact and comprehensive. It’s a great pleasure to let you know that I have put my feeling into practice. At last, we give our special thanks to our batch mates for all the valuable suggestions without which this lab report could not be completed.
